

Shell Beach Report 9-25-08

Windy Thursday on the Beach. Don Herrmann brought his dad and brother on down for a little fall fishing. The wind was whipping and the tide was high. We headed on into the Biloxi Marsh and fished with Campo’s live shrimp under a cork. We made a bunch of stops picking up a few fish at each. The guys fished hard in the tough conditions and put together a good box of fish with 40 Trout, 7 Reds, 3 Drum, and 4 Sheepshead. They had a great time and will be back in a few weeks. The Trout are on and the fishing in Shell Beach is outstanding. Campo’s is open with fuel, live bait, ice, and the newly improved back down ramps are open. Nice and easy launching with helpful advice from the Campo’s is waiting for you. For your next fishing adventure call United Charters, dates are filling fast. Very nice over night accommodations are available. 504-439-1680.
